 **REJUV-A-WAFERS™**

Superfood Supplement for Dogs & Cats

Cherish every moment. Nourish every day.™

When Only the Best will do!

- Reduce body odour
- Better temperament
- Fresher cleaner breath
- More energetic and lively
- Healthier skin and shinier coat
- Protects & reinforces body defences

Managing your pets health is now easier with **REJUV-A-WAFERS™**, the quality pet Superfood used and recommended by America's top breeders and veterinarians!

Our unique rejuvenating formula includes adaptogenic properties that reinforce the body's ability to react to stress, and lecithin to promote healthy skin and a shiny coat.

Chlorophyll, a natural detoxifier, and fiber support a healthy tummy, with beneficial deodorizing properties for fresher breath and improved body odor.

Our exclusive chlorella, in Rejuv-A-Wafers™ is Pulverized by DYN0®-MILL™, which makes the nutrients in Rejuv-A-Wafers™ more bio-available than other chlorella brands. Every wafer contains Chlorella Growth Factor (CGF) to help nourish, replenish, and rejuvenate your pet. CGF is a unique powerhouse of goodness not found in any other vitamin, mineral, herb, or food. It consists of beneficial amino acids, vitamins, peptides, polysaccharides, beta glucans and an abundance of nucleic acids. Rejuv-A-Wafers™ also bring your pet the eye health supporting benefits of lutein.

Rejuv-A-Wafers™ for Dogs and Cats provide additional nutrition for your cherished pet, by rejuvenating your loving companion with nature's most nutritious superfood. Rejuv-A-Wafers™ is a daily supplement packed with beneficial antioxidants, vitamin C and vitamin A, plus minerals, protein, beta-carotene, chlorophyll and fiber that will help your pet to thrive.

Why give your beloved pets commercial pet treats that are loaded with artificial flavors and fillers when you can give them REJUV-A-WAFERS™! Your pet will love the delicious, wholesome flavor, and you will love your pet's visible good health product.
